You get 15-days from the day you receive the complaint. We grant up to 30-days beyond that. Let me know how much time beyond your 15-days you want.

Thanks

Ms. Hampton

Mr. Hampton,

I have been named in the above referenced complaint in my capacity at treasurer of the Weldon Russell for Congress Campaign Committee.

I would like to request an extension of time to review this matter and seek legal advice prior to formulating a response. My father, Weldon Russell, was the candidate, and all mail was delivered to him. I did not personally receive notice of this complaint until yesterday, March 23, 2015, when he delivered it to me. I am more than willing to cooperate with this investigation and the Federal Election Commission, however I also want to ensure that I have time to fully understand the nature of the complaint and whether a response should be submitted on my behalf.

I appreciate your consideration in this request for an extension of time.

Thanks,

Bridget Hebert
